A colorful illustration on a brown background. A large, round, brown bean is the central focus. A boy with brown hair, wearing a light-colored shirt and dark pants, is running across the top of the bean with a determined, angry expression. To the left, a smaller boy is walking away from the bean, carrying a large yellow chicken. A green beanstalk with leaves and pods grows from the right side of the bean. At the bottom left, a small wooden house is partially visible, with a wooden fence in front of it.
