Mad about Cats

Kitty Bunton

You know you're mad about cats when...

You keep a snippet of
your cat's fur in a locket.

You know you're mad about cats when...

You agonise more over getting your cat neutered than you do about giving your kids the MMR jab.

You know you're mad about cats when...

Your will states that upon death, your entire estate goes to your cat... partly because no one else wants to inherit several rusty tins of Whiskas.

You know you're mad about cats when...

You've converted your
spare room into a
battery fish farm.
