LESSON 1

“Congratulations!” Miss Katie smiles at Julie and her friends. “You all get a promotion to grade 2! See you after the summer holidays!” Julie is walking home with her proud parents. They are talking about the plans for the summer. Their English friends are coming to Poland for two weeks. Their son James is Julie’s age. “You will be his guide,” mummy says. “What are we going to do, where are we going to go, what are we going to see?” “We’ll start with Warsaw, of course.” “Good idea, I want to know more about Warsaw.”

“We’ll take a short ride in a little train around the New Town and the Old Town.” “I like the mermaid in the Old Town, Miss Katie told us about her.” “And if the Vistula river is high, we’ll go on a cruise.” “And we’ll go to the top of the Palace of Culture and Science. I know you don’t like it daddy, but you’ve promised we’ll do that when James comes to Poland!”

SONG

Listen to the song. Sing along with Julie and James, to the melody “Panie Janie.”

I am special, I am special,
If you look, you will see.
Someone very special, someone very special,
That is me, that is me.

We are special, very special,
If you look, look en face,
Really, really special, really really special,
That is us, that is us.

Julie: Of course not, silly. Miss Katie told us that the fishermen didn't like her, because she played with their nets and set the fish free. But when they heard her beautiful voice, they wanted her to stay and sing for them.

James: What does the shield and the sword have to do with this?

Julie: Let's have some ice-cream first and find a place to sit. I'm really tired.
